

### **Silent Status**

As the Commission's records will reflect, the subject station (WFBI-LD, South East Memphis, TN) was forced off the air as a consequence of the FCC's repack. The station currently remains silent pursuant to its most recent Silent STA (LMS 0000124288). The repack construction permit for the station (to transition to Channel 34) expires September 27, 2021. WFBI-LD expects to (a) complete construction of the new facilities on Channel 34 by September 27, 2021 and (b) file the requisite covering application therefor.
