

FCC Violations and Online Public File

KNUC(FM)

On September 3, 2020, the licensee (and commonly owned radio licensees) entered into a consent decree with the FCC's Media Bureau that fully resolved matters involving untimely political file uploads. *See Online Political Files of Chicago FCC License Sub, LLC*, Order, 35 FCC Rcd 9491 (MB 2020).

In addition, while the station timely transitioned to the FCC-hosted online public file, the station uploaded the 2013-2014 EEO public file report late on August 16, 2019. The station also uploaded the 1Q 2016 issues/programs list late on April 6, 2017.
