

**Public File Exhibit**

Upon review of its Online Public Inspection File to determine whether documentation required by Section 73.3526 of the FCC's Rules has been uploaded when required, Applicant found that the Quarterly Issues and Programs Lists (QIPs) for Third Quarter 2014 through First Quarter 2015 were timely prepared but not uploaded until September 30, 2021, and the QIPs for Second Quarter 2015 through Fourth Quarter 2017 were timely prepared but not uploaded until March 13, 2018 (instead of the applicable Online Public Inspection File transition deadline of March 1, 2018). Additionally, Applicant's 2015 Biennial Ownership Report was not filed and therefore a copy is not available in the Public Inspection File. Applicant has reminded station staff of the importance of complying with applicable upload requirements and deadlines and will be more vigilant of such deadlines going forward.
