Dear Mr. Schoon

It is Winnebago Cooperative Telecom Association's (WCTA) understanding that Iowa Public Radio is applying for an FM station with antennas and transmitter located on our tower located at Hanlontown, IA (43-16-43.5N and 093-22-06.4W).

WCTA is willing to enter into negotiations on a new lease agreement with Iowa Public Radio if your application is approved by the FCC.

Sincerely,
