

Renewal of License – Adherence to Minimum Operating Schedule Narrative

WUET-LD was acquired on November 9, 2017. Previous to the acquisition, the station had been granted a Silent Special Temporary Authority (STA) (0000034316), effective October 17, 2017 while it was in the process of constructing facilities pursuant to a granted construction permit. The silent STA was extended on April 16, 2018 (0000052720). The station resumed operations on September 27, 2018, but then went silent on September 27, 2018 with an approved silent STA (0000060024). The station filed a silent STA extension request on March 25, 2019 (0000068666). The television repack caused the station to be displaced and thus while the station was silent, the Licensee duly filed a 312(g) extension request (0000068666) with the FCC, which was subsequently granted on March 23, 2020. WUET-LD has been operating on air since February 22, 2020 with a granted License to Cover (0000106517).
