

Renewal of License – Adherence to Minimum Operating Schedule Narrative

WDID-LD was acquired on November 9, 2017. Previous to the acquisition, the station had been granted a Silent Special Temporary Authority (STA) (0000034319), effective October 17, 2017 while it was in the process of constructing facilities pursuant to a granted construction permit. The silent STA was extended on April 16, 2018 (0000052721). The station resumed operations on September 27, 2018, but then went silent on September 27, 2018 with a granted silent STA (0000060025). The station filed a silent STA extension request on March 25, 2019 (0000068664). The station was in communication with Media Bureau staff regarding LMS technical issues in submitting the extension request in a timely fashion. On April 7, 2020, Media Bureau staff requested the station amend the License to Cover with a statement which the station quickly facilitated. WDID-LD has been operating on air since February 22, 2020, with a granted License to Cover (0000106516).
