

## **Agreements for Sale Exhibit**

The attached court order sets for the terms for the proposed sale of the Southwind assets and assignment of the related Commission licenses to Central Plains Finance, LLC. It is anticipated that, consistent with the court order, Central Plains Finance LLC will receive a bill of sale, deed to real property, and other customary assignment documents at a closing that will occur following the grant of Commission consent. Those documents will be prepared for delivery to Central Plains Finance LLC at the closing and are not currently in existence.
