Subject: Radio license location for Troy, NC

Dear Neal: I'm Pastor Jeff Hartman from Troy First Baptist Church, Troy, NC, and I am working with Pastor Rodney on a location for the tower for our local station. We have an agreement from one of my members for the location on his property in the desired location. His name is Fred Taylor and his address is 1207 Cedar Creek Road, Biscoe, NC. 27209. He has a lot of acreage and many locations for optimal placement.
Thanks.
Jeff Hartman
