Re: **Notification of Change of Primary Station Being Rebroadcast**  
Henson Media of Henderson County, LLC  
FM Translator Station W243CU, Henderson, KY  
Facility Identifier Number 90883

Dear Ms. Dortch:

This letter is filed on behalf of Henson Media of Henderson County, LLC, the licensee of FM Translator Station W243CU identified above, to notify the Commission about a change in the primary station that this translator is rebroadcasting, pursuant to Section 74.1284 of the Commission's Rules. Please update your records to reflect that W243CU is rebroadcasting Station WDKS(FM), Newburgh, IN (Facility ID 48710). Since WDKS is licensed to a different licensee and this is not a fill-in translator station, the need to demonstrate that the translator's 1 mV/m coverage contour does not extend beyond the protected contour of WDKS is not applicable.

If you have any questions, please contact undersigned counsel for Henson Media of Henderson County, LLC.

Sincerely,

  
Mark Lipp
