### **Statement of Educational Purpose**

Legacy Broadcasting, Inc. (Legacy), is an Idaho Non-profit Corporation and tax-exempt entity under section 501(c)(3) of the Internal Revenue Code, organized and operated exclusively for religious, charitable, and educational purposes. In furtherance of its purposes, Legacy engages in the broadcast, production, and distribution of religious and educational programming and such other religious, charitable, and educational activities as determined by its Board of Directors.

The Commission previously granted broadcast applications finding that Legacy is qualified as a noncommercial educational entity with a qualifying educational program. *See* File No. BALED 20201020AAV, granted on 12/14/2020.

Legacy is currently the licensee of the following Noncommercial Educational (NCE) FM stations: KYMS (FM) (Facility ID No. 90229), Rathdrum, ID, and WCDG (FM), (Facility ID No. 172359), Dahlenega, GA.

Legacy seeks to enrich, encourage, and inspire its audience by producing religious and educational radio programming with a local focus for the community of license. Its programs include those dealing with Bible teaching, financial management, marriage and relationship training, parenting, local news and weather, and interviews with local nonprofit organizations to help them engage listeners in addressing local concerns.

Legacy will use the proposed station to advance a program similar to that the Commission had found qualifying in its previously granted applications by providing religious and educational programming designed to meet the needs and interests of the local community of license.
