RE: ASSURENCE TO USE PROPERTY FOR RADIO

Dear Board of Directors,

I Dave Desmarais hereby grant North Country Educational Radio permission to represent in any application filed with the Federal Communication Commission "FCC" that the organization has reasonable assurance to enter into a good faith lease negotiation for a tower/antenna and transmitter and housing including all equipment needed at my property of 000 Long Hill Rd in Concord VT.

Once a construction permit had been received please contact Dave Desmarais 603-259-6644 or email at dave9384@yahoo.com And we can work out the details of the lease.

I will do whatever is needed to help out this organization I believe in the mission and will make any arrangements to see this works well as possible.

Thank you and looking forward to this Project

Sincerely,

A handwritten signature in black ink, appearing to read "Dave Desmarais", with a stylized, cursive script.
