

COMPREHENSIVE EXHIBIT

1. Granted Application File Number Finding the Applicant Qualified

Relevant Radio, Inc. ("RRI"), the applicant herein, certifies that the Commission has previously granted a broadcast application finding RRI qualified as a noncommercial educational entity with a qualifying educational program and certifies that RRI will use the proposed station to advance a similar qualifying program.

Specifically, and most recently, RRI's application on FCC Form 302-AM, FCC File number BML-20210305AAL was granted by the FCC on May 20, 2021, to convert station KKDD(AM), San Bernardino, CA (Facility No. 10134) to noncommercial educational status.

2. Explanation Concerning Response to Established Community Presence Question

Schedule 340 requires the applicant to provide the date on which the applicant qualified as local. The applicant does not qualify as an established local applicant. The applicant has entered the date of preparation of the application in order to complete the application form.

3. Site Assurance

RRI has received reasonable site assurance from The Catholic Bishop of Chicago, the owner of the tower on which the station proposed herein would be located. Contact information for The Catholic Bishop of Chicago is: Vince Gerasole, Director of the office of radio and television for the Archdiocese of Chicago, phone no.: 312-534-8277
