

Reason for Amendment

This amendment is being filed in order to provide and upload the annual Children's Television Programming Report for 2019, covering children's programming activities for KREG-TV from September 16, 2019, through December 31, 2019. TV-49, Inc. ("TV-49") became the licensee of KREG-TV on January 2, 2020, and, in the course of its review of KREG-TV's FCC online public file, TV-49 noticed the inaugural annual Children's Television Programming Report for 2019 had not been filed by either TV-49 or KREG-TV's previous licensee. In order to ensure the annual Children's Television Programming Report for 2019 is in the LMS filing system, TV-49 is filing an amendment to its timely-filed 2020 annual Children's Television Programming Report for KREG-TV and including a form prepared to cover September 16, 2019, through December 31, 2019, as a separate attachment.
