

## Ownership Report

The Biennial Ownership Report for Brandeis University, to report information as of October 1, 2021, has not yet been submitted, as the University still is surveying the members of its Board of Trustees to ensure the accuracy of responses on the Ownership Report, as well as the responses on this application for renewal of license which apply to parties to the application. Once all responses are obtained, the University will submit its Biennial Ownership Report and update this renewal application, as appropriate. The University has submitted a request for an extension of time for the submission of its Biennial Ownership Report.
