**Public File**

In preparing its license renewal filing, the Station conducted an audit of its online public file. It determined that the following material was not timely uploaded:

- 3Q 2016 Children's Programming Report was uploaded on 10/12/2016.
- 4Q 2015 Commercial Limits Certification was uploaded on 11/16/2021.
- 1Q 2016 Issues and Program Report was uploaded on 11/11/2021.

The Station is committed to uploading political file material as soon as possible consistent with Commission guidance. In reviewing the political file material uploaded over the past two-years, the Station determined that a very limited number of orders were not uploaded within one business day. The licensee provided training for staff responsible for uploading political file material to the online file in March 2020 to reinforce the importance of uploading all political material promptly.

**E/I Graphic**

On August 21, 2021, NBC provided an episode of Wild Child that did not include the E/I graphic. NBC did not provide a make-good of this episode within the 7-day make good window. Leaving this episode out of its total count, the station still met or exceeded its CORE programming requirements.
