

## **LOCAL RADIO MULTIPLE OWNERSHIP COMPLIANCE STATEMENT**

Station WXRV(FM), Andover, Massachusetts, is the only radio station that the licensee, the transferee and other attributable interest holders in the licensee have a cognizable ownership interest in, in the Boston, Massachusetts radio market, as reported by BIA/Kelsey.

The ownership interest in a single radio station in a market reported by BIA/Kelsey is *prima facie* evidence of compliance with the FCC's local radio multiple ownership rules.
