

**WBUH Online Public Inspection File**

During the last license renewal period, the Trustees of Boston University (“Licensee”), licensee of WBUH, Brewster, Massachusetts (Facility ID No. 173933) (“WBUH” or the “Station”), has failed to comply with certain Online Public Inspection File (“OPIF”) requirements with respect to WBUH.

**EEO Public File Reports.** Licensee inadvertently failed to upload immediately to WBUH’s OPIF the EEO Public File Reports for 2018-2019 and 2019-2020. Those Reports had been timely filed with the FCC through the Licensing and Management System on December 2, 2019 and November 30, 2020, and therefore have been available to the FCC and the public since that time. The reports were subsequently uploaded to WBUH’s OPIF, and Licensee has put in place procedures to ensure that the reports are timely uploaded to the OPIF going forward.

**Issues/Programs Lists.** Licensee inadvertently failed to upload immediately to WBUH’s OPIF several of its Issues/Programs Lists during the license period. Licensee subsequently uploaded the lists to the OPIF and has put in place procedures to ensure that the quarterly Issues/Programs Lists are timely uploaded going forward. As a result of these procedures, the two most recent quarterly Issues/Programs Lists have been uploaded timely.
