

Request for Special Temporary Authority to Operate at Reduced Power

Lowcountry 34 Media, LLC (“Lowcountry”), licensee of low-power television station WLHY-LD, Lebanon-Harrisburg-York-Lancaster, Pennsylvania (Facility ID No. 187456) (“WLHY-LD”) (Channel 31), hereby requests Special Temporary Authority (“STA”) to operate WLHY-LD at a reduced power of 3 kW. WLHY-LD has been forced to operate at reduced power in response to complaints about interference to viewer over-the-air reception of WTXF-TV, Philadelphia, Pennsylvania (Facility ID No. 51568) (Channel 29), licensed to Fox Television Stations, LLC. Lowcountry is in the process of preparing a minor modification application to resolve the interference issue on a permanent basis. Accordingly, Lowcountry respectfully requests STA to operate WLHY-LD at reduced power until a minor modification application has been filed and granted, and Lowcountry has constructed and is operating new licensed facilities for WLHY-LD pursuant to that minor modification application.
