Good morning.I would like to proceed with the applications for MYL,LLC for the new low power television stations,listed below.I understand that the grant will allow for a period to get them on the air and working once I am given a construction permit for these facilities.  
Thank you,Dr Eliud Acevedo

We recently dismissed applications for MYL, LLC for new low power television stations for failure to prosecute. See attached. Please let us know if this action was in error and if the applicant desires to construct and operate these facilities.
