

**Part 5 Experimental Authority Application
K33MJ-D, Pahrump, Nevada (Fac. ID No. 48807)**

Consent to Accept Interference

Sinclair Media II, Inc., licensee of low power television broadcast station K33MJ-D, Pahrump, NV (Facility ID No. 48807) ("K33MJ-D") hereby agrees to accept interference to K33MJ-D's facility on Channel 33 from KSNV, Las Vegas, Nevada (Facility ID No. 10179) ("KSNV") and the facilities proposed in the Application for Media Bureau Part 5 Experimental Authority ("STA") for KSNV to which this Consent is attached.

K33MJ-D is currently licensed as a secondary facility, LPTV on channel 33. The licensee, Sinclair Media II, Inc., has agreed to accept the predicted interference from the requested STA facility to 80.08% of the population predicted to receive service from K33MJ-D during the pendency of the requested STA.

Sinclair Media II, Inc.
