

**FM Translator K227DQ Ketchikan  
Special Operating Conditions**

The construction permit bears a condition that K227DQ cannot file a license application to cover or commence operation until K248AI changes its primary station from KTKN.

Simultaneous with the filing of this license application for K227DQ, the licensee is filing a letter notifying the FCC that the primary station for K248AI has been changed to FM station KGTW Ketchikan.
