

**Reduced Power STA Application  
WOAI-TV (Fac. ID No. 69618)  
San Antonio, TX**

**EXPLANATION OF CIRCUMSTANCES**

WOAI Licensee, LLC, the licensee of WOAI(TV) Facility ID No. 69618, (the “Station”) hereby provides notice that the Station began operating at reduced power on November 30, 2021, and requests Special Temporary Authority (“STA”) to operate at reduced power. The Station is operating at 50% reduced power from the Station’s auxiliary antenna due to apparent weather damage to the Station’s main antenna. The Station plans to conduct an inspection on December 19, 2021, due to predicted favorable weather conditions.

The grant of the proposed STA will serve the public interest by allowing the Station to continue to provide service to the public. Therefore, the Station requests STA to operate at the reduced power until such time as the Station makes required repairs and can resume operations at authorized power. The Station will keep the Commission informed regarding the necessary repairs.
