

## **SUPPLEMENT TO DESCRIPTION OF TRANSACTION**

Beasley Media Group Licenses, LLC ("BMGL") hereby supplements the instant transfer of control application to request that the Media Bureau apply its policy which permits transfer of control applications to be processed while certain license renewal applications are pending. BMGL notes that the instant transfer of control application involves multiple stations in multiple markets. There are no basic qualification issues pending against the transferor or the transferee. In addition, the transferee, which is comprised of individuals who have attributable interests in the transferor, agrees to stand in the stead of the transferor with respect to any pending renewal applications of the licensee for stations over which the transferee will acquire control. Accordingly, it is respectfully requested that the Bureau apply its policy of processing the transfer of control applications while there are pending renewal applications. *See Shareholders of CBS Corporation*, Memorandum Opinion and Order on Reconsideration, 16 FCC Rcd 16072, 16072-73 (2001); *In re Assignment of Broadcast Licenses from Meredith Corporation to Gray Television Licensee, LLC*, DA 21-1426, rel.
