

KVUI-LD (Fac. Id 129811), Twin Falls, ID

Application for License to Cover

This is to advise that the licensee of KVUI-LD will be operating the station in ATSC 3.0 without simulcasting as authorized by 47 CFR § 74.782(c) and will comply with the FCC requirements for such operation. Because the station has been silent (pursuant to FCC authorized special temporary authority to remain silent) notices to viewers have been posted on the station's website for more than 30-days. Once this application is granted, the licensee will file to convert the license from ATSC 1.0 to ATSC 3.0.
