

## **STATEMENT AS TO CURRENT STATUS OF STATION**

FM Translator Station W299AM formerly rebroadcasted the signal of Station WZKC(FM), Lebanon, New Hampshire (FIN: 37761).

Station W299AM is currently silent. In early February 2021, the Station suffered transmitter problems requiring the licensee to shut down its operations. W299AM is now silent as the licensee undertakes necessary repairs and arranges for a full-service station to be rebroadcast on it once the repairs are completed and the Station can resume operations according to its licensed operating parameters.
