

### Primary Station Circumstances

The primary station carried on W277CE has been LPFM Station WCSE-LP, Facility ID No. 1256693, Ledyard, CT. However, station WCSE-LD went off the air on December 1, 2021 and does not plan to return to the air.

The licensee is making arrangements to carry Station WJJF (FM), Facility ID No. 189488, Montauk, New York. Once those arrangements are completed, the translator will return to the air and the licensee will advise the Commission of the new primary station and amend this renewal application accordingly.
