License to Cover

Gray Television Licensee, LLC, licensee of WVFX(TV), Clarksburg, WV (FID 10976) submits this license to cover the minor modification construction permit for WVFX's repack facility (File No. 145139). This facility was completed on November 12, 2021, prior to the expiration of the construction permit. However, due to a wholesale change in engineering staff that occurred shortly after this facility was completed, the filing of the license to cover application was inadvertently overlooked.
