Mark:

On behalf of Capitol Broadcasting Company, Inc., the licensee of Class A TV station WNGT-CD (Facility ID No. 71089), we respectfully request that the community of license for WNGT-CD be changed from Smithfield-Selma, North Carolina to Raleigh, North Carolina. The station engineer has confirmed to me that Raleigh is within 30 miles of Smithfield-Selma. To my knowledge, this is the first (and I believe last) request for a community of license change for this station.

Please let me know if you need further information in order to process this request. Thank you,

David O'Connor
Counsel for Capitol Broadcasting Company, Inc.
