

### **Certification**

The following certification inadvertently was answered “Yes” in the original application and has been amended to “No” in this amendment.

- Adherence to Minimum Operating Schedule: Licensee certifies that during the preceding license term the station has not been silent (or operating for less than its prescribed minimum operating hours) for any period of more than 30 days.

Since the submission of the original application, the Facility Status has changed. The certification has been amended to reflect the station’s current status and has been amended to “No” in this amendment.

- Silent Stations: Licensee certifies the station is currently on the air broadcasting programming intended to be received by the public.
