

Renewal of License – Adherence to Minimum Operating Schedule Narrative

WWBH-LD was acquired on November 9, 2017. Previous to the acquisition, the station had been granted a Silent Special Temporary Authority (STA) (0000030028), effective September 14, 2017 while it was in the process of constructing facilities pursuant to a granted construction permit. The silent STA was extended on March 13, 2018 (0000048541). The station resumed operations on September 8, 2018, but then went silent on September 8, 2018 with a granted silent STA (0000059566). The station filed a silent STA extension request on March 7, 2019 (0000068425). The television repack caused the station to be displaced and thus while the station was silent, the Licensee duly filed a 312(g) extension request (0000068425) with the FCC, which was subsequently granted on March 26, 2020. WWBH-LD has been operating on air since March 5, 2020 with a granted License to Cover (0000107240).
