**Subject:** UW NCE application 0000167726 for Gillette, WY, filed 11/9/2021

Concerning the University of Wyoming's application for a new noncommercial educational FM station at Gillette, WY:  
File Number 0000167726 // Facility ID number 762736

Please amend the application once you get (1) FAA clearance for the proposed 100 meter AGL tower, and (2) an Antenna Structure Registration Number (ASRN) from the FCC for this tower. The ASRN can be obtained through the database portal at <https://www.fcc.gov/wireless/systems-utilities/antenna-structure-registration> , once the FAA has issued its determination.
