

## **Special Operating Conditions**

The permittee/licensee attests that it, in coordination with other users of the site, will reduce power or cease operation as necessary to protect persons having access to the site, tower or antenna from radiofrequency electromagnetic fields in excess of FCC guidelines.

Prior to commencing program test operations, FM Translator or FM Booster permittee must have on file an Application for an FM Translator or FM Booster Station License, pursuant to 47 C.F.R. Section 74.14.

**With the submittal of the instant Application, this condition is met.**

The licensee/permittee attests that it is rebroadcasting the HD Channel 4 of the primary station, KCLS.
