

FCC Form 2100 – Schedule 303-S
Silent Stations/ Adherence to Minimum Operating Schedule Exhibit

Periods of Silence

During the most recent license renewal period, K21PC-D, Geronimo, Oklahoma (Facility ID No. 186479) (“K21PC-D”), has been silent for more than 30 consecutive days.

K21PC-D went silent on September 4, 2021 to conserve financial resources while K21PC-D’s licensee, Lowcountry 34 Media, LLC (“Lowcountry”), continues to build out its broadcast network. On September 20, 2021, Lowcountry filed a Notification of Suspension of Operations and Request for Special Temporary Authority for K21PC-D. *See* LMS File No. 0000159755.

K21PC-D remains silent as of the date of the filing of this instant license renewal application. Lowcountry anticipates that K21PC-D will need to remain silent for a few more months as winter weather has set in, there may need to be a further modification filed to change equipment, and Lowcountry’s engineer is busy with other projects. Accordingly, Lowcountry shall file an amendment to K21PC-D’s license renewal application once the station resumes on-air operations.
