Fed Ex shipment was to arrive on 1/7/2021 as of 4:25 pm eastern time, the shipment still has not been delivered.

Shipping receipt indicated overnight priority shipping due at destination by 12:00 1/7/2022.

This tolling waiver request seeks an additional month to complete construction since the delivery of equipment has been beyond the control of the Applicant.

Had the equipment arrived on time, the installer was scheduled to travel to Key West and Duck Key and install the equipment.

Installation will be dependent upon receipt of equipment and the next available opportunity for the installer to complete installation.
