Hi Fernando,

Programming said it is directed to all children ages, it is classified at TV-Y, below is the description.

TV-Y

This program is designed to be appropriate for all children.

Programs rated TV-Y are designed to be appropriate for children of all ages. The thematic elements portrayed in programs with this rating are specifically designed for a very young audience.

The children's program that we have is Super Libro, below is the description that I received from programming:

Travel through time with ***El Súperlibro (The Super Book)***, a 1 hour 30 minutes program about two children who discover a magical book that opens the door to the most exciting adventure of their lives. In this fascinating and fun tale, the ***Súperlibro*** transports the children and their robot to ancient Biblical times, where they experience first-hand the favorite stories of the most popular book in the world. Educational, geared to children and translated into 30 languages and has aired in over 70 countries, the popular show is sure to be a hit.
