

AMENDMENT

The parties hereby amend the Application for Assignment of License (LMS File No. 0000164608) to eliminate the proposed Local Programming and Marketing Agreement ("LMA"). GlassWorks Broadcasting, LLC, the proposed assignee of Station KDXN(FM) and the proposed programmer under the LMA, did not commence programming under the LMA; accordingly, the parties have terminated the LMA. As such, the revisions to the LMA requested by the FCC staff are no longer necessary.
