**Online Public Inspection File**

Licensee believes that the Online Public Inspection File (“OPIF”) of KMTW is substantially complete and that throughout the license term it substantially complied with the FCC’s rules regarding the OPIF. Nonetheless, Licensee cannot certify that all required documents have been uploaded to the OPIF in a timely manner.

Specifically, the station’s issues and programs list for the first quarter of 2016 was uploaded late, on July 7, 2016. Licensee also is unable to certify that during the applicable retention period all documentation required to be uploaded to the station’s political file was uploaded in a complete and/or timely manner, although it believes that it substantially complied with the Commission’s political file rules. Licensee will continue to review its procedures for posting to the online political file and will endeavor in the future to completely comply with the Station’s Political File reporting requirements in a timely manner.
