

For the second quarter of 2018, the uploading of the “Issues and Programs” took place on July 12, 2018, two days past the deadline of July 10<sup>th</sup>.

This was the first quarter of operations of the station, for our company, and was our mistake, as we inadvertently got mixed up on the deadline (At the time, we mistakenly thought it was July 15<sup>th</sup>). Since then, we have been careful to upload the Issues and Programs file in a timely manner prior to the 10<sup>th</sup> of the month quarterly deadline. We shall endeavor to continue to do so in the future.
