

**WMHU Online Public Inspection File**

During the last license renewal period, Mars Hill Broadcasting Co., Inc. (“Licensee”), licensee of WMHU, Cold Brook, New York (Facility ID No. 174468) (“WMHU”), did not comply with certain Online Public Inspection File (“OPIF”) requirements with respect to WMHU.

**Q3 2016 Issues/Programs List.** Licensee timely uploaded its legacy issues/programs lists spanning years 2014 – 2017 prior to the March 1, 2018 transition deadline to WMHU’s online file, and timely uploaded all other issues/programs lists. However, during a current review of the uploaded lists, it was discovered that Licensee mistakenly uploaded data for Quarter 3 2017 under its Quarter 3 2016 upload. The Quarter 3 2016 list has now been amended to include data from 2016 and has been uploaded to WMHU’s OPIF.

**Section 73.3613 Contracts/Documents List.** Licensee mistakenly did not upload its contracts and documents required by Section 73.3613 of the Commission’s rules to WMHU’s OPIF. These documents have been uploaded to WMHU’s OPIF.

**Updated Donor Lists.** Licensee was missing an updated donor list for 2021, which has now been uploaded to WMHU’s OPIF.
