

WYCC(TV), Chicago, Illinois
Form 303-S

Core Programming and E/I Symbol Certifications

At this time, WYCC is unable to certify that it met the FCC's 3 hour per week renewal "processing guideline" for CORE programming or the E/I Symbol requirements during the portion of the renewal period beginning in the second quarter of 2018 to the present. The station is reviewing the programming that broadcast on WYCC during the relevant period to determine whether the station complied with the CORE programming renewal "processing guideline."
