

REQUEST TO EXTEND SILENT STA

By this filing, Triple Seven Media, LLC (“Triple Seven”) respectfully requests an extension of the Special Temporary Authority for the silent operation of W18EZ-D, Delphi, IN (“Station”), which the Commission granted on October 5, 2021 (File No. 0000156811). The station remains off the air for technical and financial reasons and is unable to participate in the EAS system. Triple Seven continues to search for EAS equipment, and upon such acquisition, will install it.

Grant of the extension of Special Temporary Authority for the silent operation of the Station is in the public interest so that the Commission is aware that the Station cannot participate in the EAS system. Triple Seven will advise the Commission when the Station is ready to resume its licensed operations.
