

## **Request for Silent Special Temporary Authority**

HC2 Station Group, Inc. (“Licensee”) respectfully requests Silent Special Temporary Authority (“STA”) to remain silent while it repairs its permanent broadcast facility for this Class A station.

KRZG-CD was previously operating under an Engineering STA, FCC File Number: 0000147248. While replacing the antenna, the engineer discovered a significant issue with the transmission line. In order to investigate properly, the station went silent on 9 February 2022. Once a solution is identified, the station will return to licensed operations.

Granting this request would not implicate Section 312(g) of the Act, which generally limits silent station authorizations to 12 months.<sup>1</sup> In contrast, the STA requested here would be for a period of up to six months.
