

### **KBDG – RENEWAL AMENDMENT**

The instant Renewal Amendment is being filed to correct the following:

- 1) Inadvertently, the EEO Report associated with the original renewal filing for KBDG was signed by the incorrect signatory. A new EEO Report has been filed for KBDG with the correct signatory, and the EEO Report file number associated with the instant application has been updated accordingly.
- 2) The original renewal previously filed for KBDG on 11/30/2021 (File No. 0000173406) was inadvertently certified by the incorrect signatory. The instant renewal amendment filing corrects that error.
- 3) A Biennial Ownership Report was filed for KBDG on 12/15/21 (File No. 0000177315). Therefore, the response to the Biennial Ownership Report Certification on the instant renewal amendment has been changed from “No” to “Yes.”
