

OTHER BROADCAST INTERESTS OF EDWARD R. STOLZ II

Edward Royce Stolz II is the sole member and owner of Royce International Broadcasting LLC, which is the parent corporation of Golden State Broadcasting LLC and Silver State Broadcasting LLC. Silver State Broadcasting LLC is the licensee of AM radio broadcast station KBET, Winchester, Nevada (FCC Facility ID 136292) and its associated FM translator station K267GX, North Las Vegas.

Silver Broadcasting LLC is also the beneficial owner of FM radio broadcast station KFRH, North Las Vegas (FCC Facility ID 19062), subject to the appointment of W. Lawrence Patrick as Receiver for the station (but not for Silver State Broadcasting LLC) by the United States District Court for the Central District of California, with the license having been assigned to the Receiver via a Form 316 application.

Golden State Broadcasting LLC is, likewise, the beneficial owner of FM radio broadcast station KREV, Alameda, California (FCC Facility ID 36029), subject to the appointment of W. Lawrence Patrick as Receiver for the station (but not for Golden State Broadcasting LLC).

In addition, Mr. Stolz is the sole member and owner of Major Market Radio LLC, licensee of FM translator stations K238AK and K251BX, Palm Desert, California (FCC Facility IDs 147714 and 150925). Prior to Mr. Patrick's appointment, Major Market Radio LLC was also the licensee of FM radio broadcast station KRCK-FM, Mecca, California (FCC Facility ID 52808), and Major Market Radio LLC remains the beneficial owner of that station. (The license for KRCK-FM was assigned to Mr. Patrick via a Form 316 application similar to those described above for KREV and KFRH, but Mr. Patrick was not appointed as a Receiver over Major Market Radio LLC.)

By virtue of the US Bankruptcy Code and the consolidated bankruptcy cases described elsewhere in this application, all of the above licenses are due to be assigned to the corresponding Chapter 11 debtor in possession entities.

A motion is pending in the United States Bankruptcy Court for the District of Nevada seeking the turnover of the licenses for KRCK-FM, KREV and KFRH to the Chapter 11 entities.
