## **Engineer Certification**

### **Certification for WVRB Wilmore, KY Antenna Installation**

March 9, 2022

This is to certify the installation of the Shively directional antenna for WVRB, model 6810-1R-DA was installed in accordance with the manufacturer's detailed instructions.

All work was performed by qualified personnel using good engineering practices and under my direct supervision. FullWave Tower and Broadcast LLC performed all antenna work at this site.

Certifying engineer qualifications:

Cory Wynn, CBT
