K31KK-D (the "Station"), Kingsville-Alice, Texas, hereby discloses that the station was silent for the period of December 12, 2018 through December 10, 2019, due to electrical problems at the transmitter site which prevented the station from broadcasting its signal.

The Station filed a Request for Silent Authority, FCC File No. 000068018, on February 22, 2019. When the station resumed operation on December 10, 2019, the appropriate notice was filed, via a letter dated December 10, 2019, with the Office of the Secretary. The silent STA was still pending, and the licensee requested that the request for Silent Authority be dismissed. The STA was dismissed by the FCC as of December 10, 2019.

The station was also silent for the period of April 29, 2020 through June 10, 2020 due to the collapse of its tower on April 29, 2020. The Station timely filed a request for Silent Authority, FCC File No. 0000113459, on May 11, 2020. When the Station resumed operation on June 11, 2020, the appropriate notice was filed with the FCC. See FCC File No. 0000118083.
