

FCC Form 303-S
Public Inspection File

KUVN-CD, Fort Worth, TX (the "Station") believes that it has generally met the requirement in Section 73.1943(c) of the FCC rules to post political orders to the online public inspection file "immediately, absent unusual circumstances." The Station is not aware of any political spot for which it did not post information to the public inspection file. The Station simulcasts the signal of co-owned station KUVN-DT, Garland, TX, so that political orders on KUVN-DT are also simulcast on KUVN-CD. In an abundance of caution, the Station reports the following:

- In February 2020, the Station received information regarding a candidate ad buy for Bernie Sanders, the information was uploaded in May 2020.
