

Multiple Ownership Exhibit

WKBA(AM), Vinton, VA, the station subject to the instant assignment application, is located in the Roanoke-Lynchburg, VA, Nielsen Audio Metro (the “Roanoke-Lynchburg Metro”). Neither the Assignee nor its attributable party, Mr. Sizer, has any attributable interest in any other radio station in the Roanoke-Lynchburg Metro.

Mr. Sizer has an attribute interest in only one other broadcast station: WBRF(FM), Galax, VA (FCC Facility ID No. 5986), which is located in the Greensboro-Winston Salem-High Point, NC, Nielsen Audio Metro. Neither the Assignee nor Mr. Sizer has attributable interests in any other broadcast stations.

Because WKBA(AM) and WBRF(FM) are located in different markets, Mr. Sizer’s proposed interest in WKBA(AM) together with his interest in WBRF(FM) complies with the Commission’s multiple ownership rules. And even if the stations were in the same market, because WKBA(AM) is an AM station and WBRF(FM) is an FM station, Mr. Sizer’s interests in both would involve not more than one AM and one FM station and therefore complies with the rules pursuant to Section 73.3555(a)(1)(iv).
