

**FCC Form 303-S
E/I Symbol Certification**

During a portion of the past license term, the Station aired programming from the Bounce TV and LAFF TV networks on multicast streams, which included educational and information children's television programming.

On or about October 25, 2016, Bounce TV notified KUVN-DT that, due to a technical error that occurred at the network level, the programs *All In with Laila Ali* and *Everyday Health* aired during the 3rd Quarter 2016 and the first two weeks of the 4th Q 2016 without the requisite E/I symbol. The station noted this in its amended 3rd Quarter and its 4th Quarter children's programming reports. Bounce TV informed the Station that it has established new processes to ensure the technical issue did not recur during subsequent quarters. Additionally, the affected programs were re-broadcast with the E/I symbol for six consecutive weeks from October 30 through December 3, 2016, as the Station noted in its 4th Quarter 2016 report.

On or about October 25, 2016, LAFF TV notified KUVN-DT that, due to a technical error that occurred at the network level, all core children's programs aired from October 1, 2016, to October 15, 2016, without the requisite E/I symbol. The station noted this in its amended 3rd Quarter and its 4th Quarter children's programming reports. LAFF TV informed the Station that it has established new processes to ensure the technical issue did not recur during subsequent quarters. Additionally, the affected programs were re-broadcast with the E/I symbol during the same quarter.
