

Renewal of License – Adherence to Minimum Operating Schedule Narrative

HC2 acquired the license for KCEB, Facility ID: 83913, Longview, TX pursuant to an assignment application. The Assignor was: KCEB License Company, LLC. The Lead File Number was: BALCDT-20180417AAU. The acquisition was consummated on 6/4/2018. Accordingly, the certifications contained in this narrative cover the period from 6/4/2018 to the present.

The station went silent on 7/26/2019 and filed a Silent Special Temporary Authority (“Silent STA”) request, FCC File Number: 0000078921 on 7/30/2019. The specific reason for the period of silence was the station was preparing, “to move to a new facility to be built by Licensee’s television station KPKN-LD, where it will channel share with KPKN-LD. The FCC has a history of granting such requests, particularly where, as here, the request is supported by good cause and granting it would further the public interest.” The Silent STA was granted on 11/8/2019.

The station resumed operations on 1/20/2020 and filed a Resumption of Operations, FCC File Number: 0000099003 on 1/21/2020. Since that date, the station has been operating pursuant to its authorized specifications.
